

CPE CREDITS FOR MAKING MONEY IN TECHNOLOGY, MEDIA AND TELECOMMUNICATIONS

The *Making Money in Technology Media and Telecom* course is part of PSI's *Inside Technology, Media and Telecommunications*® curriculum. It helps you understand how technology, media and telecom companies make money and track financial performance.

Upon completing this course, students will be able to:

- Identify the sources of revenue and expense for technology, media and telecom companies
- Define key performance indicators (KPIs) used in the industry
- Recall sources of financial information
- Use financial information to understand specific companies better

ELIGIBILITY

You may be eligible for Continuing Professional Education credit for this course if you are a CPA licensed in the United States. This course offers 1 CPE credit.

Performance Solutions International (PSI) is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.NASBARegistry.org.

CPE COMPLETION REQUIREMENTS

To gain CPE credit, you must complete the course and prove successful completion by passing the Final Test (with a 70% grade or better) within one year from the date of purchase. PSI will track your purchase and completion date and enforce this policy. If your company licenses the program and it is hosted with PSI, PSI will track your initial log-on date and only award CPE credit if you complete the course and pass the test within one year of the first time you've logged onto the course.

PROGRAM INFORMATION

This course provides a Basic Level of knowledge for anyone new to the industry or who wants a big-picture understanding and offers credit in the Specialized Knowledge field of study. There are no course prerequisites or advanced preparation necessary to complete this course.

DELIVERY METHOD

QAS Self-Study. The course is delivered via PSI's hosted site or a company's internal learning management system.

PROGRAM REVIEW

PSI reviews the program content to ensure that it remains current. This version of the course was updated in November 2024.

REFUND AND COMPLAINT POLICY

If you are not completely satisfied with this course, contact PSI at info@goto-psi.com and discuss your complaints. All incoming complaints are documented and forwarded to the Administrator. After resolution, documentation is kept in a complaint file for five years and used for consideration during course updates and improvements.

If you are not completely satisfied with the program within 30 days of purchase, PSI will refund your money (if you are an individual user). If you are an organization wishing to license the program and wish to discuss PSI's refund policy, please contact Christopher Lawton at clawton@goto-psi.com. A refund policy will be discussed and agreed upon. PSI wants to ensure you are fully satisfied with our services and will refund your money if you are unsatisfied.

PROGRAM REGISTRATION REQUIREMENTS

Contact PSI directly at 1 (866) GOTO-PSI to register. If this program is offered through your company, contact your training administrator for registration details, and they will arrange to obtain a licensed copy for you with PSI.

To contact a PSI account executive to discuss pricing and the options for your organization, please call our toll-free number at 1-866-GOTO-PSI (1-866-468-6774) and select option # 1. You can also e-mail us at info@goto-psi.com. You can also visit our website at www.goto-psi.com for additional information on our company and services.

Performance Solutions International is pleased to have this opportunity to assist our clients in achieving their goals within the technology, media and telecommunications industry. Please let us know if you have any comments on our approach or program or would like to recommend improvements.

Our goal is to increase your industry IQ!
